

FRIENDS OF THE MANSFIELD PUBLIC LIBRARY

February 2009 | Volume 2, Issue 1

LIBRARY SUPPORTERS NETWORK

The Library Supporters Network is a Special Interest Group (SIG) created by Texas Library Association (TLA) District 7 in partnership with the North Texas Regional Library System (NTRLS). The annual **Library Supporters Conference**, a regional conference for North Texas, is a project of this SIG.

Tuesday, January 31st was the date for the first Library Supporters Conference. Six members of our Friends group attended and came away feeling more excited than ever about being a Friend of the Mansfield Public Library.

Sixteen different topics, including Acronym Soup, 501(c)(3) Organization, Bookselling on the Internet, Starting a Website, Library Advocacy to Council Members and Keeping Volunteers Happy were presented in breakout sessions throughout the day. Friends members learned a lot and were even inspired to take up the subject of our Strategic Plan again in February. See page two for more information on that subject.

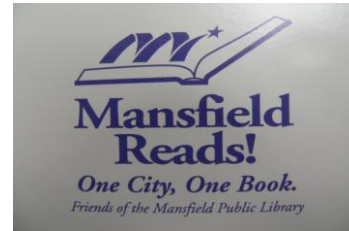

You can learn much more about the Library Supporters Network, see all of the handouts from the conference and get next year's date at www.librarysupportersnetwork.org.

Next Meeting Date

The next meeting of the Friends will be Tuesday, March 10th at 5:00 p.m. In the Community Room at the library.

WHAT'S HAPPENING NOW!

We have a plan! In November of 2007 the Friends conducted a workshop to learn ways to strengthen our Friends group. We simplified our mission statement, set new goals and implemented an action plan. Last year we worked on Phase One - Identity and Communication. We "branded" ourselves with name tags, Friends logos at the book sale, a new display case, a website and a newsletter.

Though we are still working on this "branding" stage we are ready to move to Phase Two - Membership. In the next few months we will be working on ways to get you more involved and keep you coming back for more! Do you have any ideas? How can we be better Friends? Come to a meeting! Send an email! Let us know!

TREE TOUCH-UP

Our Children's tree is so popular with the kids that it is in need of a touch-up paint job. We have hired a contractor to bring it back to its original purple glory! Work should be completed this month.
